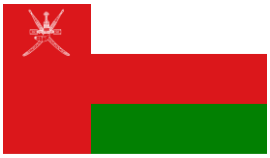
Draft Agenda

Strengthening One Health Workforce Development, Event-Based Surveillance and Multisectoral Coordination

Day 1: One Health Curriculum Promotion and Foundations of Event-Based Surveillance

08:30 – 09:00	Registration and Arrival	Speaker/facilitator
09:00 – 09:30	Opening Session	Host Country officials, **Dr Samah Al Sharif** or Ministry of Agriculture representative Regional Office RRME, WHO Country Office, FAO Country Office **Dr Ahmad Al Majali**
09:30 – 10:00	Workshop Overview	Workshop Lead (WOAH) **Dr Ahmad Al Majali / Dr Fayçal Meziani**
10:00 – 10:30	Tea/Coffee Break	
10:30 – 11:15	**Session 1:** Strengthening One Health Workforce Development: From Global Strategic Priorities to Regional and National Implementation	**Dr Chadia Wannous** TBC WOAH – OHGFD **Dr Ahmad Al Majali**



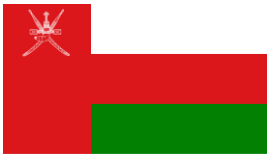
11:15 – 12:15 20 mn 20 mn 20 mn	**Session 2:** Strengthening the One Health Workforce through the One Health Curriculum (core competencies, curriculum framework, implementation approaches and country experiences): - One Health competencies and their relevance to different professional groups - Learning resources, tools and approaches to support One Health education and continuing professional development. - *Regional priorities and multisectoral opportunities for curriculum adoption* - Opportunities to integrate One Health into existing academic programmes, in-service training and professional development	**Dr Heba Mahrous -** WHO Regional OH QPT CG and **WOAH RRME** **Dr Saad Ahmed** - FAO Regional OH QPT CG **Omani academic representative** - TBC
12:15 – 13:00	**Panel Discussion:** Strengthening Institutional Commitment to One Health Education and Workforce Development	**Facilitator: Dr Samah Al Sharif** Delegate of Oman **Panelists:** Universities, Ministries of Health, Agriculture and Environment representatives TBI
13:00 – 14:00	Lunch Break	
14:00– 14:30	**Session 3:** Event-Based Surveillance in a One Health Context: Principles, Signal Detection and Verification. Core EBS concepts, sources of signals, detection,	**Dr Alexandre Fediaevsky** - WOAH PRD

	verification and early warning from an animal health and One Health perspective.	
14:30–15:00	**Session 4:** Digital Tools and Innovative Approaches Supporting One Health Event-Based Surveillance Including EIOS, digital signal detection, event information management and animal health early-warning applications.	**Dr Paolo Tizzani /Gilles Guillot** – WOAH DID or WHO EIOS / WHO EMRO expert
15:00–15:45	**Session 5:** From Animal Health Information to One Health Early Warning: The Role of WAHIS and Epidemiological Intelligence.	**Dr Tahreem Khalid,** WOAH WAHIAD TBC
15:45 – 16:00	Tea/Coffee Break	
16:00 – 17:00	**Group Exercise 1:** Analysing One Health Events and Designing Event Detection, Verification and Information-Sharing Pathways. Application of the concepts through a practical zoonotic disease scenario.	**ILRI** supported by WOAH RRME and OH QPT team
17:00 – 17:15	Day 1 Wrap-Up	

Day 2: Event-Based Surveillance Practice and Stakeholder Mapping

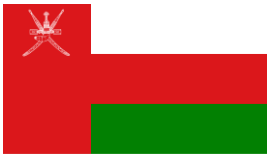
Time	Session	Speaker/facilitator
08:30 – 09:00	Recap of Day 1	

World Organisation for Animal Health | Organisation mondiale de la santé animale | Organización Mundial de Sanidad Animal



Session 6: "Mapping One Health Stakeholders: Institutional Roles, Coordination Pathways and Operational Gaps."		
09:00–09:30	**Technical presentation with practical examples:** Stakeholder identification and categorisation; mapping mandates, influence and relationships; identifying coordination gaps and information-sharing bottlenecks. Include examples relevant to OHC adoption and EBS.	**Dr Florence Mutua,** Senior Scientist at ILRI, working on One Health - ILRI, WOAH Collaborating Centre for One Health
09:30–09:45	**Country experience/case study:** Existing One Health coordination arrangements in Oman, practical examples of multisectoral collaboration, institutional challenges and opportunities for improvement.	**Oman Ministry of Health or Ministry of Agriculture**, Fisheries and Water Resources
09:45–10:00	**Interactive demonstration and exercise briefing:** Demonstration of the stakeholder-mapping template using a simple example; explanation of group tasks, expected outputs and instructions for the subsequent exercise.	**Dr Florence Mutua,** Senior Scientist at ILRI, working on One Health - ILRI, WOAH Collaborating Centre for One Health
10:00 – 10:30	Tea/Coffee Break	
10:30 – 12:00	**Group Exercise 2:** Stakeholder Mapping	Facilitators **ILRI-RRME & OH RQPTCG** - TBC
12:00 – 13:00	Group Presentations and Peer Review of Stakeholder Maps	**Rapporteurs & ILRI-RRME**-Facilitators
13:00 – 14:00	Lunch Break	

World Organisation for Animal Health | Organisation mondiale de la santé animale | Organización Mundial de Sanidad Animal



Session 7: Building Sustainable Multisectoral Collaboration for One Health Curriculum Implementation and Event-Based Surveillance		
14:00 – 14:20	**From Stakeholder Mapping to Effective One Health Coordination:** Institutional Ownership and Sustainable Multisectoral Collaboration	**Dr Chadia Wannous** - WOAH OHGFD-WOAH HQ
14:20–14:40	**National Experience:** Operationalising Multisectoral One Health Coordination in Oman	**Omani national** One Health coordination mechanism / relevant ministries
14:40–15:00	**Facilitated discussion:** Translating stakeholder mapping findings into institutional commitments and practical actions	**WOAH RRME / Regional QPT representatives**
Session 8 (facilitated working session)**:** Country Action Planning (Curriculum Implementation, EBS Strengthening, Governance and Stakeholder Engagement)		
15:00–15:45	**Session 8:** Translating Workshop Outcomes into Country Action Plans: Workforce Development, EBS and Multisectoral Coordination • Priority needs and activities. • Responsible institutions and partners. • Opportunities to integrate One Health competencies into existing programmes. • Actions to strengthen EBS and information sharing. • Coordination arrangements, timelines, and follow-up mechanisms.	WOAH RRME (lead) - **Dr Fayçal Meziani**, **Dr Florence Mutua -** ILRI, WOAH Collaborating Centre for One Health (technical co-facilitator), supported by national One Health representatives
15:45 – 16:00	Tea/Coffee Break	

World Organisation for Animal Health | Organisation mondiale de la santé animale | Organización Mundial de Sanidad Animal

16:00 – 16:45	Presentation of Draft Country Action Plans and Agreement on Priority Workshop Recommendations. Country presentations, peer feedback and consolidation of practical recommendations.	Country rapporteurs; moderated by WOAH RRME with ILRI technical support
16:45 – 17:15	Closing Session	WOAH RRME and Hosting Country
