- To improve preparation and conduct of PVS Pathway missions
 - Higher quality reports
 - Effective use of those reports
 - To source funding and drive change to strengthen Veterinary Services
- The level of national understanding, ownership and engagement of the VS in their PVS Pathway are key determinants of success
- Targets a selection of representatives of the VS of WOAHA's Members in the Middle East Region
- Incorporates theory, practice and planning to prepare countries for future PVS Pathway engagement tailored to their needs

What are the learning objectives of the Orientation?

Members understand and are more familiar with the PVS Pathway and its benefits, as well as the PVS Tool (2019)

Members describe the benefits in engaging in PVS Pathway Activities and support

Members better understand WOA and Experts' expectations for improved implementation

Members share lessons learned and experiences in the PVS Pathway

Members understand and use data and information contained in the PVS Pathway reports more effectively for action and advocacy

What are your expectations?

- 2 minutes
- Please write down your expectation(s) about this Training Workshop on the post-its provided
- Then, go and stick them on the flip chart!

(We will check at the end of the Workshop whether we have fulfilled them)

Expected Outputs

- Members have developed a first draft of their national PVS Roadmap for the next 5 years, with next steps identified

Along the way, we expect:

- An interactive, participatory workshop
- Excited and dedicated participants
- To get to know you and your needs better
